Pentecost Holiday in the Stueng Meun Cheng  
Slum in Cambodia

# JUNE 8, 2014

- On June 8<sup>th</sup> “The Well of Life” handed out Mosquito nets, Soap, Toothbrushes, Toothpaste and Noodles. This was made possible by the following donors:
- Christine Schultz and the Women’s Ministry in Edmonton Alberta, Canada.
- Joern Martenka
- Barbara Holiboth

There were 121 “Kits” put together that looked like this.

They contained Soap, Toothbrush, Toothpaste, and 10 noodle soups.

- Most of these people in the Stueng Meun Cheng Slum do not have these Basic Necessities.

We had the families and the children's names organized ahead of time, here are there names.

After organizing the crowds, we then distributed the 121 “Kits”.....

Lining up this many Kids is no easy task!

But once lined, up the process began

If you want the definition of “Suffering” it’s living in conditions like this without protection from Mosquito’s.

Mosquito nets are “Tremendously helpful”, especially for those with babies and small children.

The same as the “Kits” we organized the crowds again

And we then distributed 50 mosquito nets, mostly for families. The nets are large enough for about 2 - 4 people.

And next in line is .....

## OUR FUTURE WATER PROJECT FOR THE SLUM

# THIS IS HOW THEY CURRENTLY CONSUME WATER

And it is not very clean.....

But one step at a time!

THANK YOU VERY  
MUCH FOR ALL  
YOUR HELP.....
