

Thanks to Message Ministries and Missions donation, we were able to distribute 300 Christmas presents to the children in the Ang Dong Slum. We were also able to give out 100 Mosquito nets to the parents or/Families.

The Mosquito nets are always greatly appreciated.

This community is the going to be the location of "Well #2". The Ang Dong community is equivalent to the conditions of a Refugee camp. The people were very grateful to receive this Christmas Present.

**Thank you to Message Ministries and Missions**  
**who made this happen.**

The Children received 1 sandwich, 1 colorful pencil, and one Book.

It may not sound like much but these kids living in these conditions do not usually receive anything for Christmas. The children were very grateful.

And 100 Mosiquito nets for the Families.

Thanks again for all involved and once again a BIG –Thank you to Message Ministries and Missions.
